

5 POINTER

Automatic Levelling 5-Beam Level,
Plumb & Square Laser

FEATURES:

- ✓ **Level, Plumb and Square Beams:** Five square (90°) beams provide simultaneous level, plumb and square reference points. All beams originate from the same source guaranteeing superior accuracy and repeatability
- ✓ **Automatic Levelling:** The automatic levelling mechanism eliminates set up time, guarantees accuracy and the repeatable transfer of points to multiple locations
- ✓ **Automatic Out of Level Sensing:** The visual (blinking laser beam) out of level indication signals if the unit is out of level after initial set up. This eliminates tool status checks and costly errors, saving time and money
- ✓ **Multipurpose Attachment Accessory:** Attachment accessory with strong magnets, tripod mounts and straps allow for attachment of the tool to a variety of different surfaces including metal studs, wooden beams and tripods
- ✓ **Field Recalibration:** Easy field calibration guarantees performance to specification and keeps the tool on the jobsite, saving time and money

APPLICATIONS:

- Carpentry: Level and set cabinets and countertops, level, square and plumb decks; Plumb framing and partition walls
- Concrete: Set forms and footings; Square foundations
- Electrical: Level electrical outlets; Transfer lighting layout from floor to ceiling
- Flooring: Layout tile

INCLUDES:

- ✓ Laser
- ✓ Multipurpose attachment accessory
- ✓ Laser target

SPECIFICATIONS

Level Beam Accuracy	≤ 4mm/10m
Level Beam Conicity	≤ 4mm/10m
Up Beam Accuracy	≤ 1.5mm/3m
Down Beam Accuracy	≤ 1.5mm/2m
Square Beam Accuracy	≤ 4.5mm/10m
Working Distance	≤ 10m
Power Supply	2 “AA” batteries
Waterproof	IP54
Thread Size	5/8” and 1/4”
Warranty	1 year Warranty
